JOIN us THIS Saturday, January 28TH
to STAND as ONE for OUR collective FUTURE.

www.GlobalPrayerAction.com

On January 24th, Trump signed an executive order to advance the Keystone XL and the Dakota Access Pipeline, endangering water sources for millions.

Now is the time for our global family to unite and show the world that we will continue to stand, to pray, to meditate, to take action and empower and inspire our communities to be the change we want to see in the world!

Our earth needs. We need us!
We only have one Unke Macha (Mother Earth in Lakota).

The Prayer for Water is a prayer for all life.

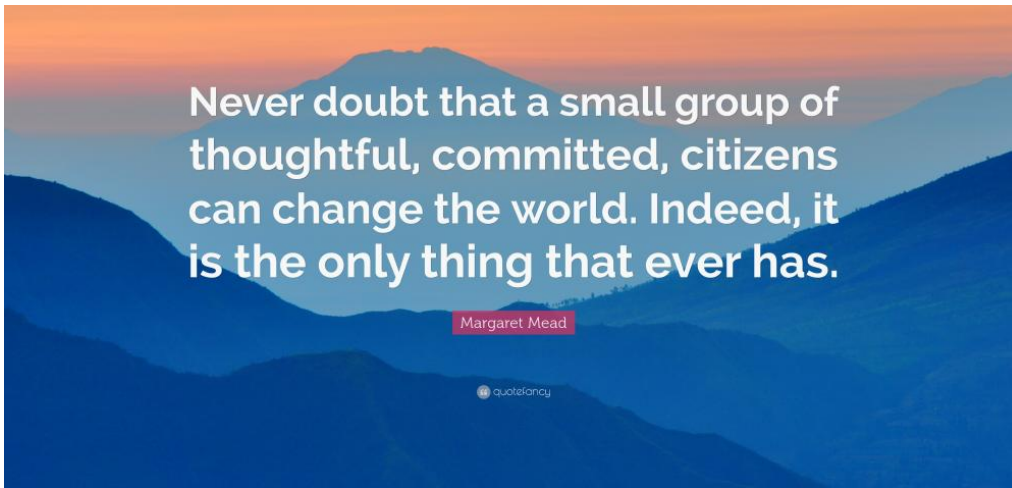

This Saturday January 28th we come together to carry the prayer from Standing Rock to the steps of Banks around the World funding pipelines and harmful oil extraction.

We Unite in [Global Prayer Action](http://www.GlobalPrayerAction.com) to FLOOD the BANKS with LOVE and elevate the consciousness of the financial institutions and governments, asking that they make the choice to invest in clean renewable energy, the future of our planet, and the protection and rights of all people.

TAKE ACTION by visiting www.GlobalPrayerAction.com to find an event near you or to organize an event at a Bank in your community!

If you are not able to join in person on Saturday, you can sign up on [the website](http://www.GlobalPrayerAction.com) to be a part of the live prayer broadcast from Standing Rock at 12pm CST.

SHARE, sing, pray, march, meditate, call on your community to unite.

At UNIFY we share virtual and in-person transformational experiences that support your most passionate, peaceful, purposeful, and amazing life.

We also organize global synchronized meditations and

...the ones organized great by themselves...
days of social action. We now have more than 7,500
organizers that bring their communities together for
campaigns we launch on Peace Day, Earth Day, Water
Day, and more. Thank you for doing your part every
day!
